ABOUT OUR COMPANY

Selina Home Decor began with a simple dream: to create beautiful furniture that merges style and comfort. Founded in 2022, we have grown from a small workshop to a beloved brand recognized for our quality craftsmanship and innovative designs. Our passion for design is fueled by our desire to bring joy and elegance into every home.

WHAT WE DO

At **Selina Home Decor**, we specialize in premium wall panels and custom wall decor solutions. We provide expert consultation, innovative designs, and high-quality products that cater to both residential and commercial spaces. Our services extend to interior visualization, wholesale and retail supply, and collaboration with industry professionals to create stunning interiors.

OUR VISION

To be the most trusted and innovative name in the wall decor industry, recognized for our quality, creativity, and exceptional customer service, while fostering long-term collaborations with interior designers, architects, and homeowners.

OUR MISSION

Our mission is to inspire and elevate living spaces by providing top-tier wall decor solutions that blend aesthetics with functionality. We strive to deliver excellence through superior products, personalized service, and a commitment to sustainability.

OUR CORE VALUES

1

QUALITY & CRAFTSMANSHIP

We prioritize premium materials and meticulous craftsmanship in every product.

2

INNOVATION & DESIGN

We stay ahead of trends, offering modern, elegant, and timeless designs.

3

CUSTOMER-CENTRIC APPROACH

Our clients' satisfaction is our top priority, and we provide personalized consultations to meet their needs.

4

SUSTAINABILITY

We incorporate eco-friendly practices to contribute to a greener future.

5

INTEGRITY & EXCELLENCE

We uphold honesty, transparency, and excellence in all our business operations.

PRODUCTS & SERVICES

- **Premium Wall Panels** – A diverse collection of high-quality panels for residential and commercial spaces.
- **Custom Wall Decor Solutions** – Tailored designs to match unique client preferences and architectural styles.
- **Interior Visualization Service** – Clients can send pictures of their spaces, and we provide a preview of our wall panels in their actual settings.
- **Wholesale & Retail Supply** – Catering to individual buyers, interior designers, and large-scale commercial projects.
- **Collaboration with Interior Designers** – We actively work with interior designers and architects to create stunning interiors.
